1. **True/False:** You should research the company before going to an interview.

2. **Yes/No:** Is it a good idea to take your resume with you to an interview?

3. Fill in the blank: The hiring manager will create an impression of you in the first 7 seconds of seeing you.

4. Multiple Choice: What should you read before your interview?

- a) Job description
- b) Your friend's resume
- c) A book
- d) None of the above

5. True/False: It doesn't matter what you wear to an interview.

6. Matching: Match the tips to the actions:

- |      |                                    |
|------|------------------------------------|
| ①    | Arrive 10 minutes early            |
| ②    | Research the company               |
| ③    | Wear a smart outfit                |
| - a) | Create a good first impression     |
| - b) | Be punctual                        |
| - c) | Learn about the company's services |

7. **Yes/No:** Should you prepare an introduction for your interview?

8. Fill in the blank: A good introduction includes your skills, experience, job, and what type of person you are.

9. **True/False:** You should avoid saying you have no weaknesses in an interview.

10. Multiple Choice: What should you take to your interview to show your future plans in the role?

- a) A book
- b) A 90-day plan of action
- c) A gift
- d) None of the above

Notes:

Job coach held morning briefing with Andrew on workplace safety tips and its importance. Afterwards, job coach modelled mock interview questions for him which he showed good understanding of the questions through his responses. Job coach then discussed with him about some mobility skills on how to get around.
